Bring Your Disc To Work Day 2015

Ultimate Canada needs your help in promoting the sport of Ultimate. If you like Ultimate and own a disc, then bring your disc to work on Thursday, September 24th, 2015 as part of our National Bring Your Disc to Work Day initiative to promote Ultimate in Canada.

Join the Facebook Page today! On September 24, 2015, post your photo of you with your disc at work. Stay active on the Facebook page to see all the awesome snaps from around the country!

As part of "Bring Your Disc to Work Day," Ultimate Canada is hosting a photo contest where the best photo of a disc in the workplace will receive a prize! We are spicing things up this year with 3 categories:

Best photo in a Workplace || Best photo at School || Best photo in your Community

The rules are pretty simple, take a photo and get the appropriate permission of those in the photo, and send it in to: christiane@canadianultimate.com by October 8th, 2015. Please indicate which category you want to be entered in. Each photo can only enter one category, but everyone is welcome to enter different photos for each category! Voting will take place on Ultimate Canada Facebook page. Prizes will be provided by Ultimate Canada sponsors, VC Ultimate and Discraft. The top three finishers in each category will receive prizes, while the top winner per category will receive the grand prize!

2014 Photo Contest Finalists!
