We wish to take this time to bring to your attention the following guideline which ensures the safety and well being of ALL who will use our facility

THANK YOU:

- 1- For not consuming any food, beverages or gum inside the Dome. WATER ONLY!
 - 2- For wearing shirt and shoes at all times inside the Dome
 - 3- For wearing clean and appropriate footwear for your activity. Street shoes & winter boots to be left in designated areas.
 - 4- For wearing running shoes or approved spiked (maximum 5mm) on the track
 - 5- For not spitting in the Dome. Please use the garbage containers
 - 6- For using the rotating door on the LEFT if you are a guest, if you arrive before your scheduled session and/or if you have young children that wish to run around. That area is safe for ALL and is equipped with tables and chairs for your comfort.
 - 7- For respecting the RESTRICTED AREA which is located behind the bleachers and is reserved for athletics such as long jump, high jump and other drills. That area as well as the track is CLOSED to the general public when the Ottawa Lions Athletes are training (Generally from 5pm to 8pm Monday to Thursday and Saturday from 9am to noon)
 - 8- For accessing the fields by the rotating door located on the RIGHT
 - 9- For using balls and frisbees on the playing fields only
 - 10- For crossing the track & for entering the playing fields in the designated areas only
 - 11- For using the inside lane for slower space
 - 12- For leaving the responsibility to move the separating nets to Dome employees
 - 13- For keeping our facilities clean and in good condition for the well-being and enjoyment of ALL
 - 14- For vacating fields 5 minutes before the end of your booking to allow for the next set-up
 - 15- To coaches for supervising their athletes and spectators
-
- 16- For parking in the designated areas and for respecting the NO PARKING by the Dome or school property (any grass area). We have two parking lots located near the Dome. If they are full, please use the parking at the front of the school. It is slightly farther but a lot cheaper that getting your car ticketed or towed (it is a city bylaw that we need to adhere to).
 - 17- For adhering to the non-smoking rule on the school premises.

We wish to thank you for following this guideline and for sharing this information with the coaches, athletes, parents and spectators. It is in place to insure the security, well-being and enjoyment of everyone who is accessing the Dome @ Louis-Riel. Respecting the facility for the satisfaction of all!

We strongly appreciate your understanding,

In consideration of the CEPEO issuing the described contract, it is understood and agreed that when a contract holder signs the 'Dome rental Contract' the contract holder and the sponsoring organization are voluntarily assuming the risks associated with holding the described event and are confirming they have read, fully understand and will adhere to the general terms and conditions attached.
