

WELCOME TO THE BEN FRANKLIN PARK SUPERDOME – 2021/2022 SEASON

The Province of Ontario is in STEP 3 of the Roadmap to Reopening. For indoor recreational facility's, 50% of the capacity is allowed. Until the Province announces further reductions in restrictions, 55 people is the maximum allowed, per field, in the Superdome Sports Centre.

As we continue to help reduce the spread of COVID-19 and the current Delta variant, all of the important information listed below is mandatory and only those we adhere to these protocols will be permitted to enter the facility. Please note that the Ben Franklin Park Superdome reserves the right to put any protocols and rules in place deemed to protect its customers.

SPECTATORS-

- NO spectators are permitted in the dome at this time.

MASKS-

- Masks are mandatory for all who enter the facility, including participants, coaches, managers, volunteers, until each person is on their respective field.
- Masks must be put back on as soon as each person leaves their field until outside of the facility.
- There is no exception to this rule for the safety of all those inside the facility.

VACCINATION POLICY-

- Only persons who are double vaccinated (2 doses + 14 days) are permitted in the facility.
- Proof of double vaccination is required + identification with your first/last name, and date of birth. It does not have to be photo I.D.; however, it cannot be your health card.
 - For more information on the province's roadmap to reopening and vaccinations, <https://covid-19.ontario.ca/proof-covid-19-vaccination>
- Any person participating in an organized sport, and under the age of 18, is not required to show proof of vaccination.

MEDICAL EXEMPTION FROM BEING FULLY VACCINATED-

- A written document from a physician or nurse practitioner outlining medical exemption must include:
 - the name and contact information of the physician or nurse practitioner (for example, phone number and address).
 - a logo or letterhead identifying the physician or nurse practitioner.
 - a statement that there is a medical reason for your exemption for being fully vaccinated against COVID-19.
 - an effective time-period for the medical reason within the date you are seeking access to the business or organization.

- <https://covid-19.ontario.ca/proof-covid-19-vaccination#medical-exemptions>

IMPORTANT LOGISTICAL INFORMATION FOR USING THE DOME-

- Facility access will be restricted to 15 minutes prior to scheduled start time.
- People will enter and exit the building through the front door this year.
- While waiting to enter the facility, maintain a 2m distance between other people.
- Have vaccine documentation and identification ready prior to entering.
- Show the staff member your documentation upon request, if you are 18 years of age and older.
- Hand sanitizer is provided in the facility and should be used frequently.
- Go to the designated WAIT AREA for your field.
- Upon direction from coach or group organizer, head to the designated sideline and bring all personal belongings to the sideline as well. *Masks can be removed at this point.
- At the end of your field time, return to the sideline and put mask back on.
- Exit the dome and facility following the directional signage in place.

PROTOCOLS AT A GLANCE

- Staff will continually disinfect and sanitize touch points in the facility during open hours including but not limited to doors and handles, counter tops, etc.
- Professional germicidal UVC turf equipment to disinfect the field after closing will be used. All hard to access areas i.e., walls, floors, doors of the complete facility will also be UVC disinfected.
- Staff will wear masks at all times with the exception of while seated at their desk behind the plexiglass.
- **First aid:** In case of a first aid situation, all staff members are to mask themselves and use gloves when they are within 6 feet of participants. Staff must be notified of any incident requiring first-aid.
- Participants, coaches, or team support staff may NOT enter a SUPERDOME facility if they are displaying any COVID-19 symptoms.
- Any participant who becomes ill or exhibits possible COVID-19 symptoms during the activity, must stop the activity, leave the playing surface, wear a mask until they are able to leave the facility (which should be as soon as possible) and Coaches/team support staff will report the incident to facility management.
