Rental Policy:

Patrons are defined as players, coaches, volunteers, spectators, and parents/guardians.

All Patrons must comply with the current guidelines, regulations and recommendations related to COVID-19 by Ottawa Public Health, the Municipal and Provincial government, the sport governing body and their Association.

Contract holders must:

- Ensure all patrons related to their rentals have completed and passed a COVID-19 self-assessment prior to entering the facility. All assessments must be completed the same day patrons are attending.
- Collect contact information to support contact tracing.
- Have a safety plan in place for all rentals.
- Actively screen all patrons associated with the rental before they enter the facility.
- Take attendance for each date on the contract and for each patron accessing the space during the rental period. Records must be kept for one month (31 days) for the purpose of tracing in the event of a COVID-19 outbreak.
- limit the time of patrons inside the facility to 15 minutes before and after their associated usage to alleviate capacity issues.

There are no restrictions on team sports. Physical contact, size of teams, cohorts or any other game play scenarios can resume.

The total number of patrons permitted to be in the facility associated with the rental of each field at any one time is limited to 100. Maximum capacity will be posted outside of the facility. Contract holder is responsible to ensure the capacity limit is not exceeded.

Any patron that enters or uses the facility (or when waiting in line outside the facility) other than when participating in a team sport, must wear a mask and maintain a physical distance of at least 2 meters from any other person who is using the facility unless within the same household.

All patrons must comply with COVID-19 guidelines issued by the Sooners Mega Dome, Ottawa Public Health, and Public Health Ontario at all times. Failure to comply will result in immediate removal from the facility, non-refundable field cancellation and review of future contract bookings.

Conditions of use and contract amendments are subject to change with direction from the Provincial Guidelines and Regulations and Ottawa Public Health
