

Tina Tremblay

Year started playing: 2007

Involvement:

- Coordinate Friday Fall and Winter
- Captain on various teams
- Volunteered at many events and tournaments
- Help coach the Youth League

Who I Am:

I'm a passionate and caring person who is dedicated to helping others when I can. Along with volunteering for OCUA, I dedicate many hours to a charity called Dreams Take Flight. I'm a natural born leader who has a strong focus on teamwork, safety and empowering others to do their best.

What I bring to the table:

- 20 year of experience in the travel/service industry; 5 as a Flight Attendant and 15 as a on-board Service Director.
- My experience flying around the world has given me an eye for inclusivity no matter what shape, colour, religion, or gender identity a person is.
- A strong eye for health and safety.

My aspirations for the future of the league:

I'm dedicated to a successful growth of the league for all ages and genders. I'm committed to improving player retention and fostering an improved on field experience for all with a particular focus on women. I would also like to create a supportive environment for players returning to the sport from injury or parental leave.
